

Quick reference guide to our Internet shop

www.lfspareparts724.com

Always open and available... 24 hours, 7 days a week

Benefit from the state-of-the-art technologies offered by LF online shop to solve any problems, saving time and money!

The screenshot shows the LF website homepage. At the top, there's a navigation bar with 'HOME', 'COMPANY', 'CATALOGUES', 'SALES ORG.', 'NEWS & EVENTS', and 'INTERNET SHOP'. Below this, a banner reads 'Since 1982 supplying spare parts for:' followed by categories like 'cooking equipment', 'commercial refrigeration', etc. A central section titled 'Our catalogues' lists '55,000 items in stock and 1 million in the database'. To the right, there's a 'RIVER products' section and an 'Internet shop' login form with fields for 'username' and 'password', and a 'login' button. A red box highlights the login form, and another red box highlights a link that says 'Ask for help: I forgot my password!'.

A useful tool to buy all the spare parts you need, reserved only and exclusively to specialized service centres and tour operators with authorized service centre

- **Search engine: fast, complete and with advanced search options**
- **Shopping cart: user-friendly with indication of discounts and special promotional prices**
- **Technical data, exploded drawings and cross-references**
- **36,000 items and 80,000 cross-references to main manufacturers' codes**
- **More than 1,000,000 items in our database available upon request**

Enter your login details to access the restricted area of our Internet shop...

...or, if you do not have them, fill in the form available here

**Do you need help with LF Internet shop?
Do not hesitate to contact our Export Dept.!**

A search engine with more than 1,000,000 items in database

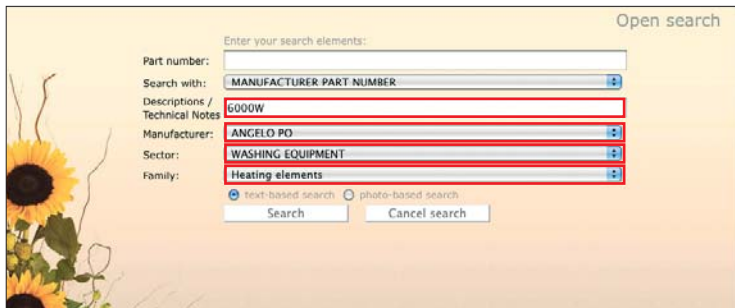

The screenshot shows the search engine interface. At the top, there are four search options: 'Search by LF code', 'Search by manufacturer's code', 'Search by description', and 'Search by exploded drawings coffee & bar equip.'. Below these is a search form with the following fields: 'Part number:', 'Search with:' (set to 'PART NUMBER'), 'Descriptions / Technical Notes', 'Manufacturer:' (set to '(ALL)'), 'Sector:' (set to '(ALL)'), and 'Family:' (set to '(ALL)'). There are radio buttons for 'text-based search' (selected) and 'photo-based search'. A 'Search' button and a 'Cancel search' button are at the bottom. A red box highlights the search options, and another red box highlights the search results display options: 'Search results shown either in text or in photographic layout'.

Several search options:

- **by LF code**
- **by manufacturer's code** (e.g.: ANGELO PO 32G0400)
- **by description** (e.g.: 6000W, 337 mm, etc.)
- **by manufacturer** (e.g.: Saeco, Zanussi, etc.)
- **by sector** (e.g.: cooking eqpt, washing eqpt, refrigeration, etc.)
- **by family of product** (e.g.: evaporators, thermostats, compressors, etc.)

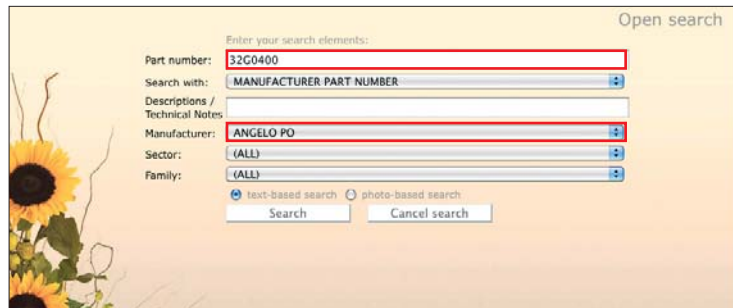

Examples of compared item searches

Example 1

Search form with fields: Part number, Search with (MANUFACTURER PART NUMBER), Descriptions / Technical Notes (6000W), Manufacturer (ANGELO PO), Sector (WASHING EQUIPMENT), Family (Heating elements). Includes search buttons and radio options for text-based or photo-based search.

Example 2

Search form with fields: Part number (32G0400), Search with (MANUFACTURER PART NUMBER), Descriptions / Technical Notes, Manufacturer (ANGELO PO), Sector ((ALL)), Family ((ALL)). Includes search buttons and radio options for text-based or photo-based search.

These 2 types of search methods lead to the same result, i.e. LF code 3355106

Search result (it can be multiple and spread on several pages)

Part Number	Description	M.U.	Price (EUR)	Available quantity	
3355106	HEATING ELEMENT 6000W 230/400V	N.	94,72	215	1
3355458	HEATING ELEMENT FOR BOILER 6000W 230V	N.	87,66	54	1
